

Connecting to the Wi-Fi network on an Android device

Activate Wi-Fi and connect to the network

1. Open the Settings application on your device.
2. Tap Connections -> Wi-Fi.
3. Select the **CMCC-9yR2** network from the list.
4. At the password prompt enter **7i6hbm4j** (please note that it is case sensitive)

Connecting to the Wi-Fi network on iPhone, iPad, iPod touch

1. On the Home screen, go to Settings > Wi-Fi.
2. Turn on the Wi-Fi option. Your device will automatically search for available Wi-Fi networks.
3. Touch the Wi-Fi network name **CMCC-9yR2**
4. Enter the following password **7i6hbm4j** (please respect capital letters)

A blue tick ✓ appears next to the network you have connected to, and the Wi-Fi connected icon  appears in the top corner of your screen.
